

NORTH	SOUTH
<p>*Climate extreme-cold winters & hot summers.</p> <p>*Factories employing mills girls (from farms and for. countries)</p> <p>*19 million people-many immigrants-lots of Irish (Catholic / unskilled)& German (Protestant & skilled artisans).</p> <p>*Railroads, steamboats, roads</p>	<p>*Climate mild-mild winters and hot, long, humid summers= growing crops for cash like cotton, tobacco</p> <p>*12 million people-1/3rd slaves, Europeans</p> <p>* flatboats on slow flowing rivers</p>

Essential

Question:

Why did the North need the South but the South not necessarily need the North?
